

Professional mobile & marine antennas

MODEL	1" MOUNTING SET (1" Revolving Nut)
MOUNT TYPE	<i>For mounting Marine / Base Station Antennas on G1"-11 threaded stud or bracket</i>
FOR ANTENNA TYPES	<i>All antennas accepting 1" Nut mounting</i>
MATERIAL	<i>Chrome plated brass (O-ring for sealing included)</i>
COLOUR	<i>Bright chrome</i>
WEIGHT	<i>Approx. 0,050 kg</i>

Professional mobile & marine antennas

MODEL	MARINE MOUNTING BRACKET
MOUNTING PLACE	<i>On side of mast or building with screws or Pop-Rivets (Screws or Pop-rivets not supplied)</i>
FOR ANTENNA TYPES	<i>All Marine / Base Station Antennas (except "HD" and 1"-14 types)</i>
MATERIAL	<i>Stainless steel</i>
COLOUR	<i>Polished</i>
WEIGHT	<i>Approx. 0,170 kg</i>

Professional mobile & marine antennas

MODEL	HD-MOUNT
MOUNTING PLACE	<i>On horizontal surfaces</i>
FOR ANTENNA TYPES	<i>All Marine / Base Station Antennas for 1" Revolving Nut mounting (1" Revolving Nut is not supplied)</i>
MATERIAL	<i>Chrome plated solid brass and stainless steel hardware</i>
COLOUR	<i>Bright chrome</i>
WEIGHT	<i>Approx. 0,400 kg</i>

Professional mobile & marine antennas

MODEL	MAST / RAIL MOUNT
MOUNTING PLACE	<i>On horizontal or vertical rails (\varnothing 10 – 30 mm)</i>
FOR ANTENNA TYPES	<i>Light weight antenna types only</i>
MATERIAL	<i>Stainless steel (Stainless steel hardware and protection cap included)</i>
COLOUR	<i>Polished</i>
WEIGHT	<i>Approx. 0,210 kg</i>

Professional mobile & marine antennas

MODEL	1" ADAPTOR TUBE NYON (L = 100 MM)
MOUNT TYPE	<i>For converting 1"-14NF threaded brackets into G1"-11 thread mounted antenna types (1" Revolving Nut mounting)</i>
FOR ANTENNA TYPES	<i>(see picture with example)</i>
MATERIAL	<i>Nylon</i>
COLOUR	<i>White</i>
WEIGHT	<i>Approx. 0,040 kg</i>

Professional mobile & marine antennas

MODEL	1" ADAPTOR TUBE CHROME (L = 140 MM)
MOUNT TYPE	<i>For converting 1"-14NF threaded brackets into G1"-11 thread mounted antenna types (1" Revolving Nut mounting)</i>
FOR ANTENNA TYPES	<i>(see picture with example)</i>
MATERIAL	<i>Chrome plated brass</i>
COLOUR	<i>Bright chrome</i>
WEIGHT	<i>Approx. 0,375 kg</i>

Professional mobile & marine antennas

MODEL	4-WAY DECK MOUNT + 1" ADAPTOR TUBE
MOUNT TYPE	<i>All-angle mounting bracket with easy-tilt function</i>
FOR ANTENNA TYPES	<i>All 1"- Revolving Nut mounted antennas (For light and medium duty antennas only)</i>
MATERIAL	<i>Nylon and stainless steel hardware</i>
COLOUR	<i>White</i>
WEIGHT	<i>Approx. 0,340 kg</i>

Professional mobile & marine antennas

MODEL	4-WAY RAIL MOUNT + 1" ADAPTOR TUBE
MOUNTING PLACE	<i>All-angle rail mounted bracket and 1" adapter tube</i>
FOR ANTENNA TYPES	<i>All 1" Revolving Nut mounted antennas (For light weight antennas only)</i>
MATERIAL	<i>Nylon and stainless steel</i>
COLOUR	<i>White</i>
WEIGHT	<i>Approx. 0,225 kg</i>

Professional mobile & marine antennas

MODEL	MARINE / BASE STATION BRACKET (2 1/2")
MOUNTING OPTIONS	<p>a. Overhead mounting on mast tube \varnothing 38-75 mm (max. G 2 1/2")</p> <p>b. Side-mounting on vertical or horizontal mast tube \varnothing 30-75 mm</p> <p>c. On wall</p>
FOR ANTENNA TYPE	<p>All Marine / Base Station Antennas for 1" Revolving Nut mounting</p> <p>(1" Revolving Nut not supplied)</p>
MATERIALS	PU-painted solid seawater proof brass and stainless steel hardware
COLOUR	White
WEIGHT	Approx. 1,500 kg

Professional mobile & marine antennas

MODEL	MAST / WALL BRACKET
MOUNTING PLACE	<i>a. Overhead mounting on mast tube Ø 38-75 mm b. Side-mounting on vertical or horizontal mast tube Ø 30-75 mm (max. G 2 ½") c. On wall</i>
FOR ANTENNA TYPE	<i>For light and medium duty antenna types</i>
MATERIALS	<i>Hot galvanized 3 mm steel and stainless steel hardware</i>
COLOUR	<i>Grey</i>
WEIGHT	<i>Approx. 0,500 kg</i>

Professional mobile & marine antennas

MODEL	CONNECTOR PROTECTION CAP
MOUNTING INSTRUCTION	<ol style="list-style-type: none">1) <i>Cut the cap for correct diameter of cable and slide it over cable.</i>2) <i>Place the connector on cable (Crimp or solder depending on type).</i>3) <i>Fill the cap with Silicone grease or similar and slide it back over the connector.</i>
FOR CONNECTOR TYPE	<i>N, UHF etc.</i>
MATERIAL	<i>Rubber</i>
COLOUR	<i>Black</i>
WEIGHT	<i>Approx. 0,013 kg</i>

Professional mobile & marine antennas

MODEL	DECK FEED-THROUGH MOUNT
MOUNTING PLACE	<i>On deck or wall for water-proof feed-through of cables</i>
FOR CABLE TYPES	<i>RG213 (ø 10 mm) and RG58 C/U (ø 5 mm)</i>
MATERIAL	<i>Nylon (no hardware included)</i>
COLOUR	<i>White</i>
WEIGHT	<i>Approx. 0,045 kg</i>
